<b>Duration</b>	Since 2009
<b>Category</b>	Development of new Informative Printed Resources in several languages Informational support for immigrants in the field of healthcare, family planning, and sensitive sexuality education.
<b>Description</b>	<p><b>Target group:</b> Immigrants</p> <p><b>Methodology:</b> .....</p> <p>Migrants AIDS-Project – it is German project, that provide the informational support for immigrants in the field of healthcare, family planning, and sensitive sexuality education. It was created by Ethno-Medical Centre in 2009. It is possible to get information in more then 20 languages. Of course Migrants AIDS-Project have a lot of an activities in field of the fight against AIDS.</p>

<b>3 – Products / Results</b>	
<b>Description</b>	<p><b>What type of products/ resources?</b>            Health Care Guide / Phrase book            Consulting in the field of healthcare, family planning, and sensitive sexuality education.</p>
<b>Links</b>	<p><a href="http://www.aids-migration.de/projekt.0.html">http://www.aids-migration.de/projekt.0.html</a></p>
<b>Impact on target groups</b>	<p>It is difficult for migrants to understand German health care system, especially in foreign language. If migrants face some communication problems, they can get translation and advice from the health care insurance's staff, who speak their mother tongue. Staff of course combines language knowledge and professionalism and intercultural competencies.</p>
